PRESIDENT: LB 404 passes with the Emergency Clause attached. Please read LB 564. Senator Luedtke.

SPEAKER LUEDTKE: Mr. President, since people are changing the Speaker's order the Speaker is going to change the order too and you can decide not to change it if you don't want to but we are going to have to take up veto overrides. It is going to be later in the afternoon, much later because of the delay, so there are going to be some people that we know have to leave at noon, and I want to be fair to Senator DeCamp who has both the motions on file for override. Even though I don't know how I am going to vote on one, I do know how I'm going to vote on the other, but the point is I think he should get his chance while all of the people are here. He said it, and he has agreed with the Speaker that he would do it without debate. Merely bringing the matters up and you either vote for the override or you don't vote for the override, is that right Senator DeCamp? All right, now that would hardly take any time at all. I think we would then go down to Number 6, because Mr. Clerk that is the only two, as I understand it that we have on the desk, at this time.

PRESIDENT: Which two?

SPEAKER LUEDTKE: LB 210 and 184, Mr. President, for override. Is that correct Mr. Clerk?

PRESIDENT: So there is a change in the Speaker's order to interrupt the Final Reading to now take up two items under Item 6. That is LB 210, and 184A on veto overrides. Senator Duis.

SPEAKER LUEDTKE: Mr. President, if Senator Duis is willing to take his up without debate, we will just add that reconsideration which would take care....I think that is the only one of those too.
